

# SHAVI SINGHAL

## ABOUT ME

I am a motivated and professional fashion designer with a love of styling and a thorough awareness of current trends. I thrive in curating unique and fashion-forward ensembles because I have a good eye for aesthetics and a talent for creating impactful looks. I have a thorough understanding of textiles, colour palettes, and silhouettes, which enables me to produce aesthetically attractive and trendsetting designs. As a highly motivated and creative individual, I am keen to give my knowledge and experience to a vibrant fashion company and make a significant contribution to the industry.
